

FIRST BAPTIST  
PALATKA

Dear Potential Contributor,

We are reaching out to invite you to be involved in a unique opportunity to be part of a worldwide movement that will impact some of our community's most deserving members!

On February 7<sup>th</sup>, 2025, First Baptist Church of Palatka and Calvary Missionary Baptist Church are partnering together to host *Night to Shine*, sponsored by the Tim Tebow Foundation. *Night to Shine* is an unforgettable prom night experience, centered on God's love for people with special needs, ages 14 and older. Every honored guest of *Night to Shine* enters this complimentary event on a red carpet complete with a warm welcome from a friendly crowd and paparazzi. Guests receive the royal treatment, including limousine rides, professional photography, hair and makeup stations, corsages and boutonnieres, shoe shines and bow ties, a catered dinner, karaoke room, sensory room, a respite area with dinner for parents and caregivers and, of course, a dance floor...all leading up to the big moment where each honored guest is crowned a King or Queen of the prom.

*Night to Shine* is a global event and First Baptist Church of Palatka and Calvary Missionary Baptist Church were chosen as hosts again in 2025! We want to make this night as incredible as possible for these deserving individuals. But it will take our community joining together to make this a success. All donations are greatly appreciated, and will go directly towards the *Night to Shine* event to make it unforgettable for the amazing community of people with special needs in Putnam County. As an honored local supporter, your logo will appear on the *Night to Shine* website for Putnam County, banners in the celebration space, and print materials sent home with each guest.

If you would like to partner with us in this worldwide movement to make a difference in the lives of these amazing Kings and Queens in our own community, please contact Wendy Killebrew via email at [Bekasgarden@aol.com](mailto:Bekasgarden@aol.com), or by cell at (386) 937-1232. Please make checks out to First Baptist Palatka.

Thank you in advance for helping us celebrate and love individuals with disabilities and their families!

God Bless,

Wendy Killebrew | Community Outreach Coordinator, Night to Shine Putnam County

**Please Welcome!!**

**"Night to Shine"**

**First Baptist Church of Palatka**

Wendy Killebrew is Co-owner of Servpro of Putnam County, but like many of you wears many hats in our community.

Wendy serves as the Fundraising Chair for the "Night to Shine" event which is a vision created and sponsored by the Tim Tebow Foundation. This event is intended to bring the spotlight on an estimated 1.3 billion people around the world that are living with special needs. To deliver the message that "You Matter", "You are Loved" and that "You are Valued, Worthy and royal and precious Kings and Queens" to individuals that may not have the same opportunities to engage in the life of their community.

The Tim Tebow Foundation celebrated it's 10th year of this ministry and Putnam held the first "Night to Shine" event last year. Wendy's goal is to bring awareness and look for opportunities with individuals and Business partners that would like to be involved either personally or financially in order to ensure that this event is hosted for the second year and obviously for many years to come. The event last year hosted approximately 100 attendees, in addition to their family and or care givers. This event is a labor of Love and We need your help to Light up the World.

Wendy moved here in 1987 from Tennessee and has been married to husband, Ed Killebrew since 1988. They have two grown daughters and four wonderful grandchildren. Both daughters work in the school system and both of their son-in-laws work in the family business "Servpro".

Wendy has also worked with Celebrate Recovery to help young women find a way to a better life, while helping learn about God and setting boundaries to prevent a lifestyle of drugs and hopelessness.

Wendy and Ed are adamant about moving our county forward into the future by keeping their business and employees involved and invested in their community.

**The Four-Way Test:**

- Of the things We Think, Say or Do:

1. Is it the TRUTH ?
2. Is it FAIR to all concerned ?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?
